ALL TYPE OF : ENGINEERING JOB WORKS,  
DESIGNING & INDUSTRIAL FABRICATION

## About us

We, HP Tech Engineering, undertake to manufacture precision machining job as per sample/drawing in mild steel, brass, steel, aluminum catering to heavy industries like steel, cement, power plant, pharmaceuticals, textile, earthmoving and engineering units.

Our reputation for good, honest work at a fair price has brought us a lot of repeat business. In fact, most of our jobs come from companies who have already had a machine rebuilt, remanufactured, or repaired by us. And our service is the best you'll find. We can handle virtually any job at any time...at a price you'll appreciate.

We provide a package of services to support your schedules and/or emergency equipment needs.  
"Our Repeated Customers are our strength,"

## Mission

HP Tech Engineering'S Mission is to Produce quality products at optimum rate and delivered on committed time and date, thus attaining the reputation of most preferred supplier. We will also engage ourselves in upgrading our capability and technology and achieve our mission.

## Performance

One of the reputed rating companies namely TNV CERTIFICATION UK LTD has rated our company as ISO 9001: 2015. Copy of certificate enclosed.

## Quality

Our impressive product portfolio features our unswerving focus on quality. We strive to let our clientele gain a competitive advantage by leveraging our offered quality products and services. To achieve the expected levels of integrity and commitment, we have a set of well-defined policies and processes. Our quality drives our performance and makes us accountable to rigorously inspect every finished component.

## We dealings in

### Power Plant Spares :

We Introduce Ourselves As Manufacturer And Supplier Of power Plant Spares For Boiler, Raw Mill, Bowl Mill, Coal Mill, Ash Handling, Esp Material Handling System

### Cement Plant Spares :

We Introduce Ourselves As A Manufacturer & Supplier Of cements Plant Spares For Raw Mill, Coal Crusher, Coal Grining, Pre Heater, Klin, Cooler, Cements Mill, Material Handling System

### Iron & Steel Industries :

We Introduce Ourselves As A Manufacturer & Supplier Of iron & steel Plant Spares For Plate Mill, Sms Plant, Blast Furnace, Sinter Plant, Ductile Iron Pipe Plant, Material Handling System

### Automobile Industries Spare :

We Introduce Ourselves As A Manufacturer & Supplier Of auto Spare Parts ,sheet Metal Components, Forged Parts With the help of our adroit professionals and modern infrastructure unit, we have garnered lot of trust from our clients.

## Why us ?

- Cost efficient products
- Energy efficient range
- Timely Delivery
- Optimum Quality
- Use of advanced technology
- Use of advanced technology
- Customized Solutions

# Our Products

## We measure our quality Standards

### Products Range

We have great pleasure to introduce ourselves as precision machinery parts & job work Vendor. Mainly our company makes the Gears, Shaft, Flanges, Die, Assembly of Any kind of Gear Box spares , EOT & Goliath Crane parts developing & all types' Mechanical maintenance Works & other spare as per drawing. Industrial Fabrication like structure, Fencing, platform etc. We are determined and well equipped to bring you right engineering solution with our well trained & experience work force, precision machinery & measuring instrument. We would like to have fruitful and long term business relationship with your esteemed industry.

#### MECHANICAL MOVEMENT

Couplings, Bearing Block & Bushes, Sprockets, Gear & Pinion of all types, Shafting etc.

#### FERROUS CASTING

Couplings, Bearing Block & Bushes, Sprockets, Gear & Pinion of all types, Shafting etc.

#### NON-FERROUS CASTING

Aluminium Alloys, Copper Based Alloys ( Phos,Bronze, Gun Metal, Brass ) Nickel Alloys.

#### CONVEYORS

Complete Assemblies for Idlers & Rollers, Bucket Elevators, Screw Conveyor, Chain Links Pins, Driving Pulleys.

#### FASTENERS

Studs, U-Bolt, 'T' Bolt & High Tensile Bolt & Foundation Bolts.

# HP Tech Engineering

There are many areas where we score more than our competitors in the industry, some of our specialties, which make us a preferred business partner for our clients are:

## HP Tech Engineering

All Type of : Engineering Job Works,  
Designing & Industrial Fabrication

7, Revabhai Estate Part-1,  
Opp. Bhimnath Hotel, Revabhai Road,  
Near CTM Char Rasta, CTM,  
Ahmedabad-382418 (Gujarat) INDIA.
